

Competency-Based Assessment Rubric Pack

Formative and summative rubrics aligned with Uganda's Competency-Based Curriculum.

1. Understanding & Application (Knowledge & Skill)

- Basic Level: Recalls facts with teacher guidance; demonstrates simple procedures.
- Proficient Level: Applies concepts independently to solve local problems; explains reasoning clearly.
- Advanced Level: Analyzes complex scenarios, connects concepts across subjects, innovates practical solutions.

2. Critical Thinking & Problem Solving

- Basic Level: Identifies basic questions; struggles to compare alternatives without prompt.
- Proficient Level: Evaluates evidence, detects bias, proposes workable and realistic solutions.
- Advanced Level: Critiques assumptions, formulates original hypotheses, justifies choices with sound logic.

3. Collaboration & Communication

- Basic Level: Participates when called upon; shares ideas hesitantly in peer groups.
- Proficient Level: Listens respectfully, expresses ideas clearly in speech and writing, shares responsibilities.
- Advanced Level: Encourages peers, resolves group conflicts constructively, articulates ideas with persuasion.

4. Values, Character & Integrity

- Basic Level: Complies with classroom rules when monitored.
- Proficient Level: Acts honestly, respects peers and environment, takes responsibility for work.
- Advanced Level: Models servant leadership, shows consistent empathy and moral conviction in decisions.
